

Spirit of MVL Award Nomination

Purpose: The purpose of this award is to create a better sense of MVL history by recognizing individuals and/or couples for their leadership and dedication to Minnesota Valley Lutheran High School. The ideal candidate has provided leadership, commitment and spirit to the mission of MVL as a result of the love he/she/they have for their Lord. These award winners could serve to better energize today's families as examples of past leaders. The Spirit of MVL Banquet also provides an opportunity to publicly thank those recipients.
