Deneal,

Would you be willing to put a link to the Citizens Bank Minnesota Scholarship on the schools scholarship webpage?

Here is the link: www.citizensmn.bank/personal/rlscourses and below is a little info about the scholarship

Citizens offers 2 - \$1,000 Scholarships that are renewable. Students applying for the scholarship are required to take the online scholarship courses, found on the Citizens Bank Minnesota website. These courses focus on teaching valuable lessons in banking. The courses include Bank Services, Credit, Budgeting, Saving, Identity Theft and Insurance. Students must take the five required courses, complete and print the Post-Test from each course and also complete and print the listed Activity from each course. Tests and Activities will need to be turned in at *Citizens Bank Minnesota*, and the student must meet with a Client Service Representative for an account review to receive a scholarship application. Applications will be available February 2018. Applications are due in March 2018.

Another option would be to send you printed material. Last year I visited with students that were interested and that is an option as well.

Thanks,

**Lori Dummer** Marketing Assistant
