

Optimist Club of New Ulm Scholarship

The Optimist Club is a voluntary organization of civic-minded men and women banded together for progressive thought and action in community service.

The main focus of the Optimist Club is to aid and encourage the development of the youth in the belief that the giving of one's self in service to others will advance the well-being of man, community and world.

We would like to offer this scholarship to those who feel community service is important and who will likely give back to the community in their future.

Eligibility Criteria:

- must be a graduating senior
- must be enrolled in a post-high school program
- must demonstrate personal involvement in school or community activities
