"If you build a place where people want to visit, you'll build a place where people want to live.

And, if you build a place where people want to live, you'll build a place where people have to work.

If you build a place where people want to work, you'll build a place where business wants to be.

And, if you build a place where business wants to be, you'll have built a place where people want to visit." – Maura Gast
