Greetings Baseball Families,

Spring, and more importantly, baseball season is finally here! Here is a list of the games that will be played. All games are double-headers. Our sack lunches will be served after the games are over. Typically, the lunch includes sandwiches, veggies, fruit, chips, dessert, and beverage. It is up to you what you would like to pack for the boys.

Meals are not to be brought into the park. They should be served in the parking lot or somewhere away from the concession stand.

If the date you have been assigned doesn't work for you, please feel free to switch with someone else on the list.

For JV games, please make 12 meals unless another number is noted by your name.

For Varsity games, please make 15 meals unless another number is noted by your name.

Thank you!
