Cc: "tplath@mvlhs.org" &lt;tplath@mvlhs.org&gt;

FYI. Narrow scope, but given the MVL trade area, it is a possibility. Blessings on your day.

**Applications Being Accepted for the 2018 MGFA Scholarship Program**

Do you or an employee have a college-aged child who could use some financial support in their pursuit of a degree in agriculture? If so, your college student may be eligible to receive a scholarship through the MGFA's Commitment to Agriculture Scholarship Program. The MGFA is offering \$1,000 scholarships & is currently accepting applications for the 2018/19 school year for college students at either a 2-year or a 4-year college who have a minimum 2.75 GPA. Applicants must be the child of a current MGFA member elevator or feed mill employee who is in good standing with the Association. The student must be pursuing a degree in agriculture (preference will be given to those with a focus on agribusiness). The scholarship application is available on our website at [www.mgfa.org](http://www.mgfa.org) > About Us > MGFA Scholarship Program or you can contact the MGFA office for more information. **The application deadline is April 20, 2018.**

## MGFA Scholarship Program

### MGFA Commitment to Agriculture Scholarship Program

The Minnesota Grain and Feed Association has re-established a scholarship program to help college students meet their educational financial obligations.

Applicants must be the child of a elevator or feed mill employee whose employer is a current MGFA member, in good standing Association. The student must be pursuing a degree in agriculture (preference will be given to those pursuing a degree in ag and have a minimum GPA of 2.75.

The application for the 2018-19 Commitment to Agriculture Scholarship is available [here](#).

The Association awarded three \$1,000 scholarships in 2017 to the following individuals:

Isaac Wilson - Wheaton - Isaac is pursuing a degree in agribusiness at North Dakota State University.

Matthew Beste - Freeport - Matthew is pursuing a degree in agricultural economics at North Dakota State University.

Alexander Broderius - Hector - Alexander is pursuing a degree in Agricultural Communications & Marketing with a Crops & Soils emphasis at the University of Minnesota.

Congratulations Isaac, Matthew & Alexander!
