**Training Students for Christian Lives on Earth and for Eternity**

MVL offers a high-quality, Christ-centered education to high school aged students of south central Minnesota. We are blessed with students who love their Lord and show it through their actions to others around them. Our students are taught by teachers who are well grounded in their faith and love their Lord and their students. Together, God blesses their work each day.

This month, we will again host an Open House and Registration Night for high school age students and their parents. On Tuesday, March 10 at 6:30 P.M., there will be an opportunity for students and parents to learn more about Minnesota Valley Lutheran High School and the wonderful Christ-centered education we offer.

If parents are interested and would like more information, please call the MVL office at 506-354-6851.
