No extra money spent. No extra time wasted.**

How does Scrip work?

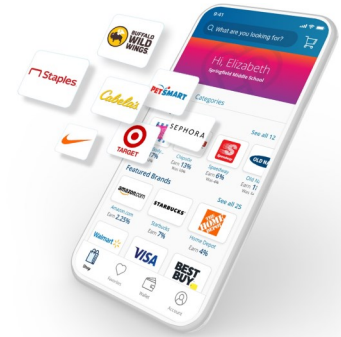

If you want to treat someone for a meal out at Applebee's after the game, order some Scrip. For every \$25 gift card you order, you pay \$25, receive \$25 worth of food at Applebee's and MVL gets \$2.00.

Spend what you usually do but in a way that will benefit MVL. You can also benefit your child's tuition account because 40% of the profits from your purchases will be able to be designated by you in April. Your choices will be: MVL general fund, your family's tuition account, or someone else's tuition account (your grandchild, or niece or nephew for example), or the general tuition assistance fund.

Ways to purchase Scrip:

- Fill out an order form and hand in to the MVL office.
- Come to the MVL office to purchase cards kept on hand.
- ***New*** Online!
