## Principal's Message

*Congratulations and God's Blessings!*

In about five weeks, our seniors will come to MVL for one last time as students. On Sunday, May 29, the 67 members of the class of 2022 will graduate from Minnesota Valley Lutheran High School. That day marks the end of one chapter in their lives and the beginning of another. The 8:20 start of school, lunch, classes and all the activities will be just a memory. Some of those memories might be fond, while others not so much. Gone too, will be the religion classes and chapel devotions. Unless our seniors are attending one of our three synodical colleges (BLC, MLC and WLC), it's likely that they won't have that daily exposure to God's Word as they do now.

It's always interesting to observe the seniors in these last months of their high school careers. They may be apprehensive since they don't have their plans ironed for life after MVL. Others are just raring to move on and go to college, into the work force or into the military. Their teachers may need to remind them that it's okay not to have their whole lives planned out at age 17 or 18. After all, those plans may see significant changes that our Lord has in mind for them.

As the MVL faculty and staff, it is our hope and prayer that we have prepared these young people for life after MVL. You know the words of our mission well: "training students for Christian lives on earth and for eternity." We want our students to live their lives in glory to our Lord and achieve success in their lives – wherever they go. Most importantly of all, we want to see them in heaven one day.

Parents of seniors, thank you so much for entrusting your students with us for their high school education. We hope and pray that we have been a blessing to you, your student and your family. May God continue to bless your family as we work together to continue to fulfill our mission!

## Graduation Information

Here are a variety of facts that may be of interest to you. Graduation Day is Sunday, May 29. The service will begin at 2:00 p.m. The guest speaker will be Rev. Rob Guenther and student speakers will be Josiah Guenther and Isaac Bakke

Each family may lay claim to eight seats in the reserved section on the main floor of the gymnasium. Extra guests and family may have to sit behind the reserved section or on the bleachers, either on the main floor or on the stage. Please note that, at 1:45 p.m., those previously reserved seats will become open for general seating. As we've done the past few years, no "tickets" will be distributed. We trust that families will limit their seats to eight per graduate.

Gowns were handed out in April. Follow the directions that come with the gowns to insure that they look good for graduation.

Cords and/or gold tassels will need to be picked up on the day of graduation. Cords are awarded to those achieving a GPA of 3.84 or higher. Gold tassels are awarded to those achieving a GPA of 3.5 – 3.84. Final grades of the senior class will determine those receiving these honors. Cords and tassels belong to the graduate. Stoles are the property of the NHS chapter and must be returned to school this summer. NHS stoles will need to be picked up on that day as well, unless other arrangements have already been made.

As a gift to each senior, MVL will provide each graduate with a group picture of the class taken that day by Strawbridge Studio. Those pictures will be mailed out later in the summer. We will take the group picture at 12:55 p.m. so your senior needs to be here no later than 12:40 p.m. to get robed and ready and be in the gym by 12:55 p.m. All special pictures must be completed before 2:00 p.m.

We encourage the seniors to remember that their high school graduation is a worship service. We are confident that their manner of dress and their actions during their graduation service will reflect that fact. Please speak with your senior and encourage them to let his/her light shine in this way.

After the service, a receiving line of graduates will take place outside. In case of inclement weather, the receiving line will be in the Commons.

## Class of 2022

Graduation is soon approaching and certain preparations have already taken place. The Seniors have selected the following for their class:

### Class Verse

Deuteronomy 31:6

*"Be strong and courageous. Do not be afraid or terrified because of them, for the Lord your God goes with you; he will never leave you nor forsake you."*

### Class Hymn:

*Speak O' Lord*

### Class Color:

Navy & Silver

### Class Flower:

Rose

## National Honor Society

PARENTS OF SENIOR NHS MEMBERS—

The stole that your student will wear for graduation is the property of our NHS chapter. NHS members will receive them on graduation day before the group picture is taken. The stole must be returned to school no later than June 30<sup>th</sup>. The cost of replacement is close to \$50 with shipping and handling so it would be advisable to return them so they can be cleaned at a group rate.

## SCHOLARSHIPS

### Scholarship Recognition on May 18th

Once again, MVL will recognize the variety of scholarships awarded to our seniors in a special lyceum that will be held on Wednesday, May 18th in the MVL gymnasium. Friends and relatives are invited to join the MVL student body for chapel at 9:38 a.m., with the presentation of scholarships to follow. Members of the Senior Class have been given a form to identify the various scholarships received. If you have any questions, please contact Mr. Smith.

### Prism Concerts - Saturday, May 14

The MVL Music Department invites you to the annual Prism Concerts on Saturday, May 14 at 5 & 8 p.m. in the MVL gym. Students will perform with the band, choir, Jazz Ensemble, and Chargaliers, and as soloists and small groups. All are invited to attend and hear what our students have eagerly prepared.

### History Tour 2022

History Tour is back! Participants and families are reminded that the tour begins June 12 through June 23. The final tour payments should be turned into the office by the end of May. Remember, tuition payments need to be current. Please contact the office for any questions concerning tuition bills.

Participants leaving from New Ulm need to arrive at MVL by 6:30 a.m. on the morning of June 12. The bus will leave school around 7:00 a.m. We will arrive at the former Gander Mountain parking lot in Mankato by 7:30 a.m. The bus will load and depart by 7:45 a.m.

Families need to be prepared to pick up their students on June 23rd. We should arrive in Mankato between 12:00 p.m. to 1:00 p.m., arriving back at MVL between 1:00 p.m. to 2:00 p.m.

Thank you for your support for this event and may God bless our tour again.

### MVL Classic—Monday, July 11

Come join the MVL community at the New Ulm Country Club and support tuition assistance for a Christ-centered education! Sign-in and lunch for golfers begins at 10:00 AM with a shotgun start at 11:00 AM. The \$125 golf fee includes 18 holes, a cart, and dinner.

### Tuition Information

Here are a few reminders in regard to online tuition payment plans.

If you are not sure of the exact payment plan you want to set up for next year, please make your best guess, and set up accordingly. Payment dates or account which the payment comes out of can be changed at any time. The first payments will be applied on the 1<sup>st</sup> and 15<sup>th</sup> of August, and nothing before that, so there is plenty of time to make adjustments.

We would really like to see everyone take advantage of the online payment option. However, there are some families with unique payment plan requests, or those prefer to pay by check to school. For these situations, please click the "invoice" button under the "Pay in Full" option. By doing this, you will bypass having to enter payment information, and will be able to finalize your online enrollment. If you click the invoice button, paperwork will be sent out as in the past. This will need to be completed and returned prior to the beginning of the school year. The dates on your family FACTS portal will be adjusted, so you don't receive unwanted emails from them.

Please note that when you pay with check or cash, or pay on the general FACTS payment site, you will not see your payment reflected immediately. This is because it needs to be applied manually. If you pay through the general FACTS payment portal and not on your family FACTS portal, it will take about 2 weeks until you will see the payment applied. If you pay by cash or check, you will most likely see the payment on your family FACTS portal within 3-5 days.

Incidental expenses such as activity fees, sports fees, Chromebook rental fees, and lunch card replacement fees need to be paid by the last day of school. Many of you signed up for automatic withdrawal of these fees, and if that is the case, you don't need to worry about them. If you did not sign up to have them debited automatically, you will need to pay online, or send a check or cash to school with your student.

Finally, as a reminder, all seniors need to be paid in full prior to graduation. This includes all activity fees and lunch money due. If the senior has a younger sibling here at MVL, at least ½ of tuition for the two has to be paid prior to graduation, including any fees or lunch money due for the senior. Per MVL policy, any senior with a remaining balance will have their transcripts and diploma held until they are paid in full.

### Food Service Update

Thank you to all families who have supported our hot lunch program. It's been very challenging the last 2 years with COVID-19 and supply chain issues. We appreciate your patience and understanding. For the upcoming school year, unless legislation passes soon, it is forecasted the USDA is no longer offering free lunches to students. Starting in the 2022-2023 school year students' accounts will be once again charged for school lunches. A price will be established this summer and announced prior to Student Orientation Day in August.

We are looking for part-time dishwasher and lunchroom help, up to 5 days a week and hours are generally 11:00-1:30. This potentially can be a shared position. Please contact Mrs. Fluegge directly if you are interested 507-233-8653 or [foodservice@mvlhs.org](mailto:foodservice@mvlhs.org).

### Tuition Assistance Program

Tuition Assistance for the 2022-2023 school year will be done through FACTS. To get to the online application, go to [www.mvl.org](http://www.mvl.org) and click on Apply to MVL. **The deadline for submission of the application is May 15.** If you have any questions about the online process, please contact the MVL office.

### Final Transcripts — Seniors

Mr. Smith has shared a Google Doc with all seniors requesting that they fill out the destination they would like their final high school transcript mailed after graduation. **Please note that all MVL accounts must be paid in full and up-to-date** before a transcript can be sent.

### Resources — Summer Reading

A large number of resources are available from Mr. Smith for MVL students and parents to read and utilize over the summer. If you are interested in finding out what resources are available, please contact Mr. Smith directly.

### Highway 14 Detour Update – April 26, 2022

Beginning May 2, there will be some changes to the detours for the Highway 14 construction. In short, the County 37 – Highway 14 intersection will be closed and Highway 14 will be reopened from Courtland to MVL. As always, please contact Ray Vulcan at Palmer Bus for bus routes or Tim Plath at MVL for other construction related questions.

#### From New Ulm

MNDOT recommends that use 7<sup>th</sup> North Street past the 14-15 interchange and take County 21 all the way to County 12. Turn right onto County 12 and take that to Highway 14. Turn right and head to MVL.

The second option is to take Highway 68 and then turn left on County 45 to go to Courtland. In Courtland, turn left onto 14 and take that to MVL.

MNDOT advises against using 561<sup>st</sup> to come to MVL. If you've driven it, you will understand why.

#### From Courtland and points east

Highway 14 will be open from Courtland to MVL starting on Monday.

Coming from Mankato, take Highway 14 to the Nicollet exit. Head left (south) through the two roundabouts and drive to County 25. Take a right onto County 25 and take that to Courtland. Get back on Highway 14 and take that right to MVL.

You may also take Highway 68 and turn right at County 45 and go through Courtland to get to Highway 14.

#### From the North using Highway 15

You can continue the way that you've been taking or you can use County 21 to 12 and to Highway 14 to MVL.

Travel safely!

## MVL Juniors (Rising Seniors): Summer and Senior Year Suggestions

(Adapted from <https://magoosh.com/hs/gen/2015/twenty-things-i-wish-id-known-before-senior-year/>; some of the suggestions aren't applicable to MVL students or I don't agree with them )

### **Tackle College Apps (and Essays) Early and Often**

Imagine beginning the final year of your high school career without the stress and anxiety of trying to figure out when you will possibly find time to work on college apps and their respective essays. Most colleges and universities accept applications around July 1<sup>st</sup> (some are earlier). Many colleges will have some type of essay addressing "Why do you want to major in BLANK at OUR SCHOOL?" This is a helpful essay to compose during the summer and customize as needed during the early fall.

### **Ride Out Your Existential Crises**

Senior year will undoubtedly be stressful and overwhelming at some point (maybe multiple points). Know how to indulge in some self-care and treat yourself in order to combat the stress. Go for a run, read for enjoyment, or get a group of friends together and play games, find out what works for you and use it in those moments. If nothing else, know whom you can talk to; Mr. Smith would be more than happy to listen and help!

### **Stop Looking Left and Right**

I love this one! We are only human so we inevitably compare ourselves to our peers. Deciding what to pursue after high school is an individualistic journey and it should be one that is enjoyable. Timelines will be different for each of you, so comparing yourself to your peers makes no sense. It would be like comparing an apple to a wildebeest .

### **Learn to Say "No"**

This is such an important life lesson that I am continuing to learn each and every day. Do not spread yourself too thin; it's your senior year and you may want to participate in everything, including activities you've never done prior to this year. However, continuously stressing yourself out and not having the time to fully commit to anything will prevent you from truly enjoying the year. Clearly define your priorities for this year and remain steadfast.

### **Stay Engaged and Committed**

This clearly builds off of the previous point. I am guessing you would not intentionally want to start a race out strong and then nose dive just short of the finish line. Similarly, you want to ensure that you are finishing your senior year strong. This positive momentum can carry over into the next part of your life. If that is college, you want to keep your study habits and routines strong.

### **Your Loved Ones Really Do Want What is Best for You**

They truly do. If and when they ask about your future, it's because they care. They may be processing and sifting through their own emotions at this time as they prepare themselves for you to "head out into the world" on your own.

### **Senioritis is Natural...**

It's not really an "if", but is more so a "when". Senioritis, a dip in your motivation, gets almost everyone. Understanding that can ensure you are prepared and ready to combat it. Do not fall victim to this trap rather, acknowledge it, overcome it, and finish strong!

### **Scholarship Applications Are Worth Your Time**

Small scholarships add up, so all scholarship applications are worth your time. Think of it this way: if a scholarship application takes you 15 minutes to complete and you win and are awarded \$250, you essentially just made \$1,000/hr. That's a nice hourly wage!

### **Enjoy the People Around You & Embrace being a Role Model**

Celebrate this journey with those around you and use this year to meet a different group of friends. Attend the school events you always have and attend some that you have not had the opportunity to support. Enjoy your teachers, as they have been some of the most influential people in your life thus far. Take the opportunity to remind them of the impact they had and be appreciative of all of their efforts. Know that the underclassmen will look to you for guidance and advice, take that role seriously. Lastly, do not get so caught up in the busyness of the year that you blink and miss it.

### **Rejection and Failure Will Not Define You**

One could easily insert any number of famous quotes citing perseverance, grit, dedication, or any other current buzzword. It is likely that many of you soon to be seniors will be applying to incredibly selective colleges or competitive jobs with a large number of applicants. We cannot dictate the outcome of any situation, but we can choose how we will respond. Know that if one door closes, more than likely that was not the door for you. You are all going to go on and be successful because of the people you are. I am looking forward to next year!

## MVL Students Participate In Robotics Tournament

MVL students Ethan Schultz, Caleb Tomhave, and Thomas Wosmek recently attended the 10,000 Lakes Regional Robotics Tournament at Williams Arena in the Twins Cities. They ranked 11th overall out of 55 teams and were named alliance captains for the playoffs in the tournament. They ended up losing a tie breaker in the first round but received an “Innovation in Control” award which is given to one team per tournament. Their team was pretty small, having only around 5-7 consistent students compared to most teams that had 30-50.

This particular robotics team isn’t affiliated with MVL rather it is a team that operates under a private robotics organization called St. Peter Area Robotics. Students from MVL, St. Peter, and Minnesota New Country School participate in this organization.

## Teacher Appreciation Week

Teacher Appreciation is May 2-6. Thank you to all the educators who train our children for Christian Lives.

## Thank You!

Thanks again to all who made the Booster Club Auction a success! Many volunteers put in a lot of time and energy into this event. Thank you as well to those who came to the auction, purchased items, and donated auction items.

In the last two Newslines, I referenced Groundhog Day and that rodent seeing his shadow while giving us 6 weeks of winter. Unfortunately, the groundhog didn’t cooperate with us. When it warmed up, it’s been raining, and when it’s not raining it’s really chilly. We’re doing our best to get the games and meets in. I remember in 2018 on April 20 we got 12-15 inches of snow. I’m glad we don’t have that, yet. We will enjoy the warm rays of the sun when spring does come.

## Schedule Changes

There have been many schedule changes lately. In case you have been notified by your son or daughter please sign up for our email notifications. You may choose whichever activities in which you have an interest. Then you will get notifications every time a schedule change is made.

Go to [www.mvl.org](http://www.mvl.org) and click on Activities. Drag your cursor along the top you will see where the sports and fine arts activities webpages are located. Go to the right side and click on Calendar. You are now on the daily calendar page. On the far right, you can look for specific teams and activities, and where it says “Notify Me” you can sign up for those notifications about schedule changes.

## Spring Sports Pictures

Due to the crazy weather and scheduling with each of our teams, team pictures have been delayed and re-scheduled numerous times. We wanted them taken outside, but they will be taken Wednesday, April 27 either outside or in the gym. Sorry if this has caused you any inconvenience.

## Fall Parent & Athlete Meetings for Co-ops & MVL Students

Here are the dates for both the MVL and New Ulm Co-op Fall meetings:

New Ulm Coop (Boys’ and Girls’ Soccer & Girls ‘ Tennis)  
**August 4 at 6 p.m.**

MVL Parent and Athlete Meeting  
(Required once in your MVL Career)  
**August 6 at 6 p.m.**

## 2022-2023 Eligibility Forms

Get a head start on next years sports season. The 2022-2023 eligibility forms are ready. You can find them to download on our website and there are some that can be picked up in the school office. An eligibility form as well as a current physical are required before an athlete can attend practice. If your student will need a physical for next year, you will be notified this summer.

## New Ulm Club Senior Athlete Awards

Congratulations, New Ulm Club Senior Athletes for 2021-22! Congratulations to Luke Thompson and Abbie Riederer for being named MVL Senior Athletes at a banquet that was held on April 9th sponsored by the New Ulm Country Club.

Luke is a three sport athlete who participated in Football, basketball, and baseball. Abbie is also a three sport athlete and has participated in volleyball, basketball, and golf.

Both Luke & Abbie have received various post season award throughout their high school careers. If you would like to see a list of our past New Ulm Club Senior Athletes there are two plaques in the trophy case with the names and the year they received the award.

## Speech Champ

Congratulations to Natalie Hennig on placing 5th in Extemporaneous Reading at the State Speech Competition!

## Golf

We have had a few meets this season and will begin the Tomahawk Conference Championship Series on May 4. It's a 3 meet series to crown the conference team and individual champions as well as the all-conference and honorable mention golfers. Come on out and enjoy a walk watching a little golf. Here's the link to the schedule <https://tomahawkconference.org/public/genie/31/school/5/>

A big change for girls' postseason golf. Our girls have been reclassified as AA in Section 3. This means the girls will play their qualifying round on Wednesday, May 25 at Oakdale Country Club outside of Hutchinson where we play one of our conference meets and the other day will be Wednesday, June 1 at Oakdale. The state meet for girls will be June 13-15 at the Ridges at Sand Creek near Jordan.

The boys' postseason tournament will be Tuesday, May 31st at North Links and their second day will be Monday, June 6 at North Links with their state meet June 13-15 at Pebble Creek in Becker.

## MVL Summer Strength & Conditioning Program

MVL will be offering a Strength & Conditioning Summer program this summer! This program will be offered to students going into 7th-12th grade who either attend MVL or are planning to attend MVL for high school. With the MVL weight room being renovated this summer, the MVL bus garage will serve as the weight room until the renovations are complete.

Be on the lookout for more information and a registration form in the next few weeks.

**Dates:** (Monday, Wednesday, and Thursdays)
